

IMPROVE CALLER EXPERIENCE

with Inspired's custom on-hold system.

Delight your callers with a Music on Hold (MoH) solution that delivers professionally recorded, branded audio and news items that update every day!

As an Inspired customer, you can now inform, entertain and engage callers with Inspired's dynamic MoH audio solution. Select a music genre, select daily news items and Inspired will collaborate with you to create a custom voice over script, promoting your business, that will be professionally recorded and automatically uploaded to your phone system.
